

ACCESSORY FAIRING MOUNT

Part Included:

- 1 Accessory Fairing Mount

Installation Instructions:

1. Park on a level surface and shut off the motorcycle. Ensure that the engine has time to cool before installation.
2. Loosen the center windshield bolt with a T27 torx enough to fit the mount between the inner-fairing and windshield.

3. Slide the fairing mount in-between the windshield and inner-fairing.
4. While applying light pressure down on the fairing mount, use the T27 torx to tighten the center windshield bolt. Be careful not to over-tighten as this can strip the brass insert in your fairing.

***If you have purchased any Giro accessories to go with your ball mount, please refer to those instructions to complete your installation.**

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Giro products are designed and manufactured under very strict quality control. Giro warrants that products sold to the original purchaser shall be free from any defects in materials and workmanship for a period of 3 (three) years from the date of purchase, and a lifetime warranty against LED failure.

Giro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products.

Please visit our website Giro3d.com for our complete warranty policy.
