ATTENTION

Please read all Information below before Installation

Safety First: Always wear appropriate safety gear including safety glasses when performing any electrical work. It is highly recommended that safety glasses be worn throughout this installation process. Be sure vehicle is on level surface, secure and cool.

Cleaning: Take special care in cleaning the finish. Never use abrasive polishes or cleaners as these can scratch and/or damage the finish. Avoid power washing/applying direct stream to aftermarket parts.

Note: Do not trailer vehicle backwards with Rock Guards installed, wind could blow Rock Guard off Shark Demon® 2 LED.
