THINK BIG

FAT-BIKE.DE SAYS:

» "What a bombshell! Weighing only 830 gram the Juggernaut Pro weighs only half of similar tires we have tested so far!(...) This tire is like a Turbocharger for your bike!"

Think big

Inspired by our fastest off-road motorcycle tires, the Juggernaut Pro is an unstoppable force that provides grip in any environment.

Rider profile

Snow, mud, sand - you like the adventure, and the Juggernaut Pro will take you where no other tire could go.

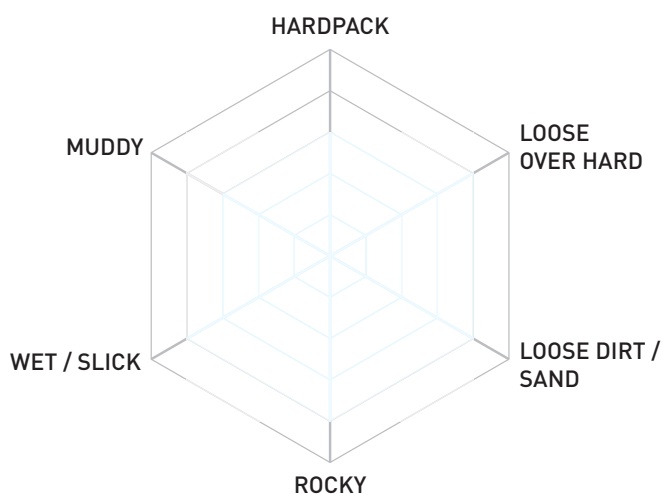

HIGHLIGHTS

- » **Lightest fatty** - With 835g the Juggernaut Pro is the lightest fatbike tire on the market.
- » **Like a cushion of air** - Large casing for better flotation in snow.
- » **Tubeless ready** - Saves weight and provides a better rolling performance. Riding tubeless also means riding flat free.
