LIMITED WARRANTY
Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
- The product must be properly installed, maintained and operated under normal conditions.
- Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Kuryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
- Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

**NOTE** Some adapters include hardware and do not utilize the original fasteners.

**ATTENTION!** Ensure that the supplied anti-seize is applied to all threaded fasteners before installation; this will make future removal of the fasteners easier.

**STEP 4** Put a small amount of the included anti-seize on one of the 5/16-18 SHCS.

**STEP 5** Hold the Passenger Floorboards in position and insert screw from STEP 4 as shown in PIC.1. Do not thread the screw in all the way to allow for adjustment of the floorboard.

**STEP 6** Adjust the angle of the floorboard for comfort and clearance; tighten the screw from STEP 4 and STEP 5. Ensure that the splines on the Passenger Floorboard and the splined adapter fully engage when the screw is tightened.

**CAUTION!** Ensure that the installation of this product does not interfere with the proper operation of the motorcycle before riding.

**STEP 7** Repeat STEP 4 through STEP 6 for the other side.

**WARNING!** IMPROPER INSTALLATION OR USE OF THIS PRODUCT COULD RESULT IN SERIOUS INJURY OR DEATH.

**ATTENTION!** It is the installer's responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Kuryakyn will not warranty components lost due to improper installation. Periodic maintenance may be required.
