LIMITED WARRANTY

Kuryakyn warrants that any Kuryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Kuryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
 - The product must be properly installed, maintained and operated under normal conditions.
 - Kuryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
 - Kuryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Kuryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Kuryakyn and a customer.
- Kuryakyn products are often intended for use in specific applications. Kuryakyn makes no warranty if a Kuryakyn product is used in applications other than intended.
- Kuryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. L.E.D.'S contained in components of Kuryakyn products will be warranted for defects in materials and workmanship for 3 years from the date of purchase where as all other components shall be warranted for one(1) year. This includes, but is not limited to; control modules, wiring, chrome & other components.

• Kuryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Kuryakyn. Kuryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

STEP 2

Remove the existing passenger footpegs:

Refer to **PIC 1**. There is a spiral spring in a groove at the end of the retaining pin.

Put on a pair of safety glasses. Use a small pick tool to lift the edge of the spiral spring out of the groove. Pull the spring off, then remove pin; set them aside they will not be reused.

Remove the footpeg.

STEP 3

Refer to **PIC 2**. Locate the included clutch-side (left) Passenger Peg Assembly and Set Screw. Thread the Set Screw into the Peg Assembly as shown.

NOTE: **If you are replacing the existing footpegs, assemble the new pegs at this time; set them within arms reach of the work area.**

STEP 4

Place an included Flat Washer over an included 5/16" Screw; set it and an included Lock Nut within arms reach of the work area.

STEP 5

Refer to **PIC 3**. Slide the Peg Assembly down over the top of the OEM mount. Install the passenger footpeg in the OEM mount, align the holes, then secure the Peg Assembly and passenger peg with the Screw, Flat Washer and Lock Nut (from **STEP 4**); leave the Lock Nut loose for now.

STEP 6

Tighten the Set Screw (from **STEP 3**) against the OEM mount to take up any free play, then tighten the Lock Nut.

STEP 7

Repeat **STEPS 2 through 6** for the other side.

STEP 8

Refer to **PIC 4**. Install the included Extended Trident ISO Pegs on the Peg Assemblies. Leave the screws loose for now.

NOTE: **The Extended Trident ISO Pegs are NOT side-specific.**

STEP 9

Push the Retractable Arms all the way forward and adjust the footpeg-rubber alignment. Tighten the screws.

STEP 10

Ensure that the footpegs do not interfere with the proper operation of the bike **BEFORE** operating.

The **RETRACTABLE PASSENGER CRUISE PEGS** are intended as a footrest and are not intended to be used for mounting or dismounting the motorcycle, or to support the full weight of the passenger.

It is the end user's responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Küryakyn will not provide warranty coverage on products or components lost due to improper installation or lack of maintenance. Periodic inspection and maintenance are required on all fasteners.

Ride On!
