

VIPER Stealth

Level 1 Back Protection

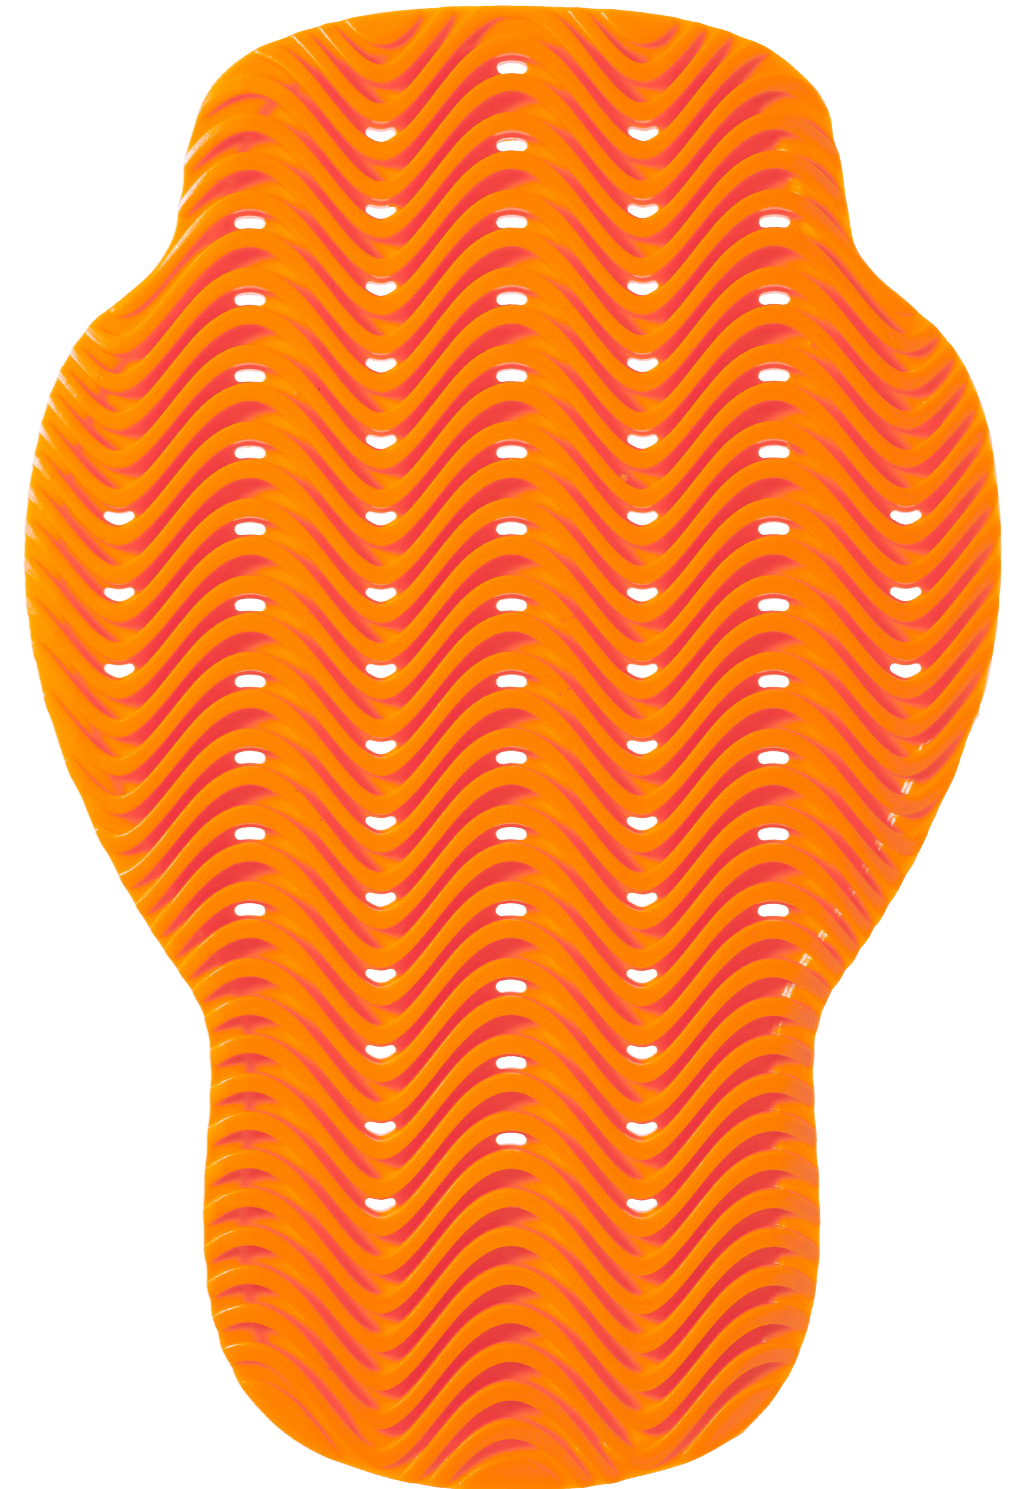

Mitigate Fear. Prevent Injury.

D3O's dilatant materials are designed to absorb and dissipate energy in response to blunt force impact.

Benefiting from airwave technology, the D3O® Viper Stealth is extremely flexible, low profile and lightweight, whilst offering great protection.

Product Features

- D3O® patented technology
- Certified to exceed the performance requirements of EN 1621- 2:2014, Level 1, including optional cold test at -10 degrees
- UKCA Certified
- For winter sports: certified as suitable for use at temperatures down to -20 degrees
- Breathability and flexibility
- Airwave technology for improved airflow
- Ergonomic design for comfort and protection
- Full back protector offering maximum coverage
