REMOTE MOUNTING

		Compatibility	ReMote Model	
			ReMote	ReMote LA
Mount	ReMote 22	22.2mm Handlebar Clamp	Recommended	Recommended
	ReMote 32	31.8mm Handlebar Clamp	Recommended	Recommended
	ReMote IS-AB	Shimano I-Spec A or B brake lever	Recommended	Not Recommended*
	ReMote IS-II	Shimano I-Spec II brake lever	Recommended	Not Recommended*
	ReMote MM	SRAM MatchMaker X brake lever**	Recommended	Recommended

* ReMote LA compatible with IS-AB and IS-II mounts but due to Shimano's short brake levers will sit closer to the grip than many riders will prefer.

** MatchMaker X hardware available separately
